Total amount of SPG received	£18,960

Overview of spending opportunities
<ul style="list-style-type: none">• This is an exciting time for the academy as we move in a different direction with many new and developing sporting opportunities to come as a result of the creation of the Outwood Together Alliance now led by ACES.• The aim of the sports funding at Rook's Nest is to build upon the many strengths of the staff by offering additional coaching and team teaching with experts.• Sport is a very important aspect of life at Rook's Nest Academy and we try our best to excel. Throughout the course of the year many subsidised places will be offered at different clubs.• We are also diversifying opportunities on offer for our students, to encourage trialling of new sports with the hope of developing a lifelong passion.• We will be providing staff with CPD where a need arises (orienteering).• We will purchase additional resources to enable high quality PE sessions to be delivered across all sports areas.

Curriculum focus of SPG spending 2017/18

Sports Premium funding will be spent on the following:

- Buying into and helping to develop the Outwood Together Alliance sports partnership
- Employing a specialist hockey coach to work with years 5 and 6 and provide an after school club
- ACES PE mentoring scheme bought into to improving teaching skills and confidence
- To provide taster sessions for children into new and exciting sports
- Purchasing new equipment to enable high quality delivery of PE sessions across the curriculum
- To provide staff with CPD and development opportunities working alongside specialist coaches
- To invest and develop in the outdoor adventurous activities aspect of the curriculum (orienteering)
- Swimming booster sessions to enable all year 6 children are capable of swimming 25 metres
- To use structured lunchtime, play to help improve behaviour and pupil co-operation through sports, staff to receive training on how to implement these active sports games
- To ensure every child has the opportunity to carry out at least 30 minutes of physical structured activity daily
- To ensure child obesity/overweight percentage in Reception and Year 6 is similar or better than that in other schools across England/Wakefield.

Measuring the impact of SPG spending

The school will evaluate the impact of the Sports Premium in the following ways:

- The number of sports club places on offer to students
- The diversity of clubs on offer
- The confidence level of teaching staff delivering sport
- Anecdotal evidence
- Sporting successes of pupils, both within and outside school
- Sporting qualifications gained by the pupils/staff
- Children joining sports clubs outside school
- Pupil voice
