

Task: To write an explanation text

Your task is to carry out some research into volcanoes (this links with our topic on rivers and mountains) and write your own explanation text about them.

What are volcanoes?

I can write an explanation text using:

- The appropriate features of the genre.
- Facts I have gathered from my research
- A variety of sentences: simple, compound and complex
- A variety of punctuation . , : ; ! ? - ()
- Passive verbs

What do we need to know about volcanoes and how they erupt?
