Nest Fest Outdoor Concert

Wednesday 26th June 2019

Doors will open for the concert, in the playground, at 3.20 and music will commence at 4.00

This concert is for **everyone** with a child at Rook's Nest - even if they don't play a musical instrument (yet)! Come along, bring the family, and watch children and adults showing how much fun playing music can be. We hope this will encourage more children to learn a musical instrument.

There will be stalls selling burgers, hotdogs (vegetarian options available) and hot and cold drinks but you are welcome to bring a picnic of your own, no alcohol please, along with chairs and picnic blankets (and umbrellas—to protect you from the glorious sunshine).

Tickets are £3 and funds raised go towards music provision at the Academy. We pride ourselves on giving the children the best possible musical education and these concerts help us to continue in our work.

If you would like to purchase tickets please complete the form below and return, with payment, to your class teacher ASAP
