After School Club Programme – Interest Form

Dear Parent / Guardian of:

Academic school year (2019 – 2020);

If you believe your child cannot swim the national curriculum required 25m, they will qualify to participate in the following programme.

WMDC are running these lessons to give more children the opportunity and support to achieve this part of the National curriculum standard. The After School Club Lessons will be delivered by a Level 2 Swimming Teacher at one of our 3 Local Authority Swimming Pools. The lessons are run at a discounted rate to our Learn to Swim Programme therefore the full course fee is to be paid in full before the first lesson.

September - October	8 sessions	£32.00
November – December	6 sessions	£24.00
January – February	6 sessions	£24.00
February – March	5 sessions	£20.00
April – May	5 sessions	£20.00
June – July	5 sessions	£20.00

If you and your child are interested in taking part in this scheme please complete the attached form, on the reverse of this letter, and hand it in at your preferred Swimming Pool as soon as possible. This opportunity is open to all pupils in Key Stage 2 that have not achieved 25m. However, places will be limited to 12 per half term, so please be prompt in returning your completed form.

Once you have registered your interest for the scheme a member of the Sport and Health Improvement team will contact you to offer you a place on a course of lessons.

We look forward to receiving your completed form and hope that you will be able to take full advantage of this great offer.

Yours Sincerely,

WMDC Aquatics Team
