

Rook's Nest Academy Homework

Year	3/4	Week beginning	27 th April 2020
-------------	------------	-----------------------	-----------------------------

Our isolation homework will be a mixture of structured lessons from the Oak National Academy website <https://www.thenational.academy/online-classroom> (choose the Subject and Year group options) and more practical activities based around the Rook's Nest Academy curriculum.

You should be reading for at least 15 minutes every day. This can be independent or aloud with an adult. Log on and do an Accelerated Reader quiz when you finish your book (you can access this from the Rook's Nest Student Start Page).

Remember that daily lessons can also include sessions on TT Rockstars, Prodigy and Education City as well as PE lessons such as that run by Joe Wicks.

Other useful websites include - <https://classroomsecrets.co.uk/> , <https://whiterosemaths.com/> , <https://www.twinkl.co.uk> and <https://www.literacyshed.com/home.html>. This list is not exclusive, there are many more!

You will need to take breaks and make sure that you take daily exercise.

TASK 1

The story of Romulus and Remus explains the beginnings of the great Roman Empire. Use the link below to get a better understanding.

<https://www.youtube.com/watch?v=wA1D9wd29jI&t=137s>

After you have watched the video, your task is to re-tell the story in a storyboard. Try to use around 6-8 images and you can include speech bubbles to help you tell the story. You should not actually write too much. Use a template similar to this!

Task 2: The Roman Empire conquered many countries in Europe. Did you know Britain was known as Britannia during Roman times? Identify what countries the Romans conquered and what the Romans named them. You can print out a map to help you like the one below.
