

## Rook's Nest Academy Homework

**Class 3M**

**Week beginning:** 27.4.2020

For literacy and maths your work will be based on that provided by: <https://www.thenational.academy/online-classroom>

When you click on this link you should see the word 'Subject' (in a green bubble) at the top right hand side of the page.

Click 'subject', then 'Year 3', then 'English' (we would use the word 'Literacy' in school), or 'maths'.

You will see that the work for English this week is all about **Instructions**.

The maths lessons this week are based on **fractions**. *We have not yet gone on to fractions in Year 3 at school, so if you find this difficult, remember to look at Education City for some Year 2 or Year 3 fraction work. This will remind you what you did last year.*

On the timetable below you can click the link for each day, and it will take you to the correct lesson.

I understand that some of you will find the work quite easy and some of you might need lots of help. All I want you to do is have a go at doing the activities and see how you get on – don't worry if you get stuck or need help. If you do get stuck, look at the work about Guide dogs that I am suggesting for our community project. As long as you are practising some of your maths and literacy skills, and trying your best, that is fine.

You should be reading for at least 15 minutes every day. This should include reading aloud to an adult if you can. Log on and do an Accelerated Reader quiz when you finish your book. Remember that you can access this from the Rook's Nest Student Start Page on the school website.

Remember that daily lessons can also include sessions on Lexia, TT Rockstars, Prodigy and Education City as well as PE lessons such as that run by Joe Wicks.

You will need to take breaks and make sure that you take daily exercise.

Stay safe and keep busy!

Mrs Milfull

	<b>Literacy / English</b>	<b>Mathematics</b>	<b>Other activities</b>
<b>Monday</b>	<a href="https://www.thenational.academy/year-3/english/instructions-reading-comprehension-fact-retrieval-year-3-wk1-1/">https://www.thenational.academy/year-3/english/instructions-reading-comprehension-fact-retrieval-year-3-wk1-1/</a>	<a href="https://www.thenational.academy/year-3/maths/to-describe-the-part-whole-relationship-year-3-wk1-1/">https://www.thenational.academy/year-3/maths/to-describe-the-part-whole-relationship-year-3-wk1-1/</a>	<p><b>Science:</b> TOPIC – Light We have done some work on this topic in school already, but in this link are some science investigations that are different from the ones we did. Have fun trying out this online lesson: <a href="https://onedrive.live.com/view.aspx?resid=54CF08BDFC25132B!23265&amp;ithint=file%2cpptx&amp;authkey=!AA2zar7aP931">https://onedrive.live.com/view.aspx?resid=54CF08BDFC25132B!23265&amp;ithint=file%2cpptx&amp;authkey=!AA2zar7aP931</a> Ok!</p> <p><b>French:</b> Learn this Alain le Lait song to really practise your vocabulary: Bonjour song: <a href="https://www.youtube.com/watch?v=atNki6QFZ50">https://www.youtube.com/watch?v=atNki6QFZ50</a></p> <p><b>Art:</b> Go out into your outdoor space. Look at the sky. Can you see any features of landscapes? Create a picture in the style of Van Gogh or Alex Katz that represents your outdoor space. Remember to think about your technique. You can use anything that makes a mark on paper – pencils, colours, paints, felt tips – whatever you have.</p> <p><b>Community Project: Guide dogs</b> To describe the stages of a guide dog’s training (Three activities to explain how a guide dog is trained - see attached)</p>
