

Rook's Nest Academy Homework 1

Year	5	Week beginning	27/04/20
<p>Our isolation homework will be a mixture of structured Literacy and Maths lessons from: The Oak National Academy website https://www.thenational.academy/online-classroom [Select 'subject' and then choose your year group] BBC Bitesize https://www.bbc.co.uk/bitesize/tags/zhqppg8/year-5-lessons/1 White Rose Maths https://whiterosemaths.com/homelearning/year-5/</p> <p>Topic lessons will be more practical and based around the Rook's Nest Academy curriculum. Year 5's topic for this half term is <u>Crime and Punishment</u></p> <p>You should be reading for at least 15 minutes every day. Year 5 and 6 can read to themselves as well as an adult. Once you have finished the book log on and complete an Accelerated Reader quiz (you can access this from the Rook's Nest Student Start Page). Remember that daily lessons can also include sessions on TT Rockstars, Prodigy and Education City as well as PE lessons such as that run by Joe Wicks. You will need to take breaks and make sure that you take daily exercise.</p> <p>If you are finding the work below not challenging enough or want more to do, please have a look around the 3 websites above and have a go at the tasks set for year 6. What can you do/not do? You will be in Year 6 in a few months!</p>			
	English	Mathematics	Foundation Subjects/Practical activity

<p>Monday</p>	<p>Setting Description: Reading Comprehension - Fact Retrieval</p> <p>In this lesson, we are going to learn how retrieve information using a setting description.</p> <p>https://www.thenational.academy/year-5/english/setting-description-reading-comprehension-fact-retrieval-year-5-wk1-1/</p> <p>Extension: Follow the link to: https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-lessons/1 and complete that days Literacy lesson (27th April)</p>	<p>An Introduction To Translation</p> <p>In this first unit we are studying transformations. Transformations are a way of changing the size or position of a shape. In today's lesson we will be exploring coordinates and translations. Some of today's lesson should be familiar as it is revision of what you learnt in Year 4.</p> <p>https://www.thenational.academy/year-5/maths/an-introduction-to-translation-year-5-wk1-1/</p> <p>Extension: Follow the link to: https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-lessons/1 and complete that days maths lesson (27th April)</p> <p>OR</p> <p>https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/homelearning/year-5/Y5-Spring-Block-3-WO1-Decimals-up-to-2-dp-2019.pdf [TASK]</p> <p>https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/homelearning/year-5/Y5-Spring-Block-3-WO1-Decimals-up-to-2-dp-2019.pdf</p>	<p>Crime and punishment</p> <p>This week we will be looking at and discussing what 'capital punishment' is in depth, before you draw up your own conclusions on the subject.</p> <p>Please see and download the 'Capital punishment' powerpoint on the Rook's Nest year 5 websites pages along with the 3 other accompanying documents related to the tasks in this powerpoint.</p> <ul style="list-style-type: none"> - Crime and punishment starter - Task 2 arguments for & against card sort - Task 2 table for & against answers <p>Science</p> <p>https://www.ase.org.uk/ase-coronavirus-hub-primary-remote-learning-resources</p> <ul style="list-style-type: none"> - The above link takes you to a page with numerous science lessons for you to have a go at - There is currently no year 5 (it is 'to come') but have a go at the year 4 and 6 activities - Select 'download resource' for the lesson you want to look at, which will bring up a powerpoint - Read through the powerpoint and follow the links to look at interesting video clips and complete activities - You can complete the lessons in the suggested chronological order in whatever order you wish. <p>Art</p> <p>https://www.youtube.com/watch?v=94HFC5Vpi5w</p> <p>Can you create an accurate sketch and colour in/paint a police car?</p> <p>Copy the how the above video draws the car - you do not have to paint and colour</p>
----------------------	---	---	---

		<p>3-ANS1-Decimals-up-to-2-dp-2019.pdf [ANSWERS]</p>	<p>the same!</p> <p>The video goes fast so you may want to slow it down to a speed you can keep up with by using - settings (found in the bottom right corner of the video) - playback speed - 0.5 or 0.25</p> <p>PE</p> <p>https://www.bbc.co.uk/programmes/b03g64pm</p>
<p>Tuesday</p>	<p>Setting Description: Reading Comprehension - Fact Retrieval</p> <p>In this lesson, we are going to learn how retrieve information using a setting description.</p> <p>https://www.thenational.academy/year-5/english/setting-description-reading-comprehension-fact-retrieval-year-5-wk1-2/</p> <p>Extension: Follow the link to: https://www.bbc.co.uk/bitesize/tags/zhqppg8/year-5-lessons/1 and complete that days Literacy lesson (28th April)</p>	<p>Describing Translations</p> <p>In lesson 2 of our study of transformations we will be developing our knowledge of translations. We will build on yesterday's work, where we focused on just one coordinate moving, to looking at moving all four vertices of a shape. By the end of this lesson you will be able to describe how a shape has been translated from one place to another.</p> <p>https://www.thenational.academy/year-5/maths/describing-translations-year-5-wk1-2/</p> <p>Extension: Follow the link to: https://www.bbc.co.uk/bitesize/tags/zhqppg8/year-5-lessons/1 and complete that days maths lesson (28th April)</p> <p>OR</p>	<p>Have a look at the BBC school radio dance activities found at the above link. There are some really fun ones - for the partner/group activities ask your parents/guardians/brother/sister or pretend you are in a group - use your imagination!</p> <p>Alternatively, practice throwing/catching/kicking/jumping/skipping/hopping/catching whatever sport activity you can but practice doing it with BOTH hands/feet, don't just use your dominant hand/food encourage your weaker hand/foot to become stronger. It will not happen straight over night but you could become ambidextrous (look up what that word means!)</p> <p>Extension and other bits: https://www.bbc.co.uk/bitesize/tags/zhqppg8/year-5-lessons/1</p> <ul style="list-style-type: none"> - A range of topic lessons can be found here for the week based around music, PSHE, Science, Geography and History. Each lesson is dated with lessons in each different topic subject if you wish to follow that schedule - or do them as you like. <p>https://www.thenational.academy/online-classroom/year-5/foundation/#subjects</p> <ul style="list-style-type: none"> - Although not particularly relevant to our crime and punishment topic, some interesting stuff!

		<p>https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/homelearning/year-5/Y5-Spring-Block-3-WO2-Decimals-as-fractions-1-2019.pdf [TASK]</p> <p>https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/homelearning/year-5/Y5-Spring-Block-3-ANS2-Decimals-as-fractions-1-2019.pdf [ANSWERS]</p>	
<p>Wednesday</p>	<p>Setting Description: Identifying the features of a text</p> <p>In the lesson, we are going to identify the features of a setting description.</p> <p>https://www.thenational.academy/year-5/english/setting-description-identifying-the-features-of-a-text-year-5-wk1-3/</p> <p>Extension: Follow the link to: https://www.bbc.co.uk/bitesize/tags/zhqppg8/year-5-lessons/1 and complete that days Literacy lesson (29th April)</p>	<p>Describing positions and coordinates</p> <p>In this lesson, we will be building on the knowledge that we have acquired so far. Using the coordinates work we start in lesson 1 and the translation of shapes in lesson 2, we will be plotting, translating and re-plotting lines on a grid.</p> <p>https://www.thenational.academy/year-5/maths/describing-positions-and-coordinates-year-5-wk1-3/</p> <p>Extension: Follow the link to: https://www.bbc.co.uk/bitesize/tags/zhqppg8/year-5-lessons/1 and complete that days maths lesson (29th April)</p>	

		<p>OR</p> <p>https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/homelearning/year-5/Y5-Spring-Block-3-WO3-Decimals-as-fractions-2-2019.pdf [TASK]</p> <p>https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/homelearning/year-5/Y5-Spring-Block-3-ANS3-Decimals-as-fractions-2-2019.pdf [ANSWERS]</p>	
<p>Thursday</p>	<p>Setting Description: SPaG focus - Parenthesis</p> <p>In this lesson, we are to going to focus on the use of parenthesis in a setting description.</p> <p>https://www.thenational.academy/year-5/english/setting-description-spag-focus-parenthesis-year-5-wk1-4/</p> <p>Extension: Follow the link to: https://www.bbc.co.uk/bitesize/tags/zhqppg8/year-5-lessons/1</p>	<p>Describe position after translation</p> <p>In this lesson we will be looking at plotting coordinates on a grid with four quadrants. We will link this to our prior learning about translation by translating one coordinate in multiple ways and working out the coordinates.</p> <p>https://www.thenational.academy/year-5/maths/describe-position-after-translation-year-5-wk1-4/</p> <p>Extension: Follow the link to: https://www.bbc.co.uk/bitesize/tags/zhqppg8/year-5-lessons/1 and complete that days maths lesson (30th April)</p>	

	<p>and complete that days Literacy lesson (30Th April)</p>	<p>OR</p> <p>https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/homelearning/year-5/Y5-Spring-Block-3-WO4-Understand-thousandths-2019.pdf [TASK]</p> <p>https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/homelearning/year-5/Y5-Spring-Block-3-ANS4-Understand-thousandths-2019.pdf [ANSWERS]</p>	
<p>Friday</p>	<p>Setting Description: Write a Setting Description</p> <p>In this lesson, we are going to write a setting description.</p> <p>https://www.thenational.academy/year-5/english/setting-description-write-a-setting-description-year-5-wk1-5/</p> <p>Extension: Follow the link to: https://www.bbc.co.uk/bitesize/tags/zhqppg8/year-5-lessons/1</p>	<p>Describe position after translation</p> <p>In today's lesson, we will be exploring translating more than one coordinate across a grid with negative numbers.</p> <p>https://www.thenational.academy/year-5/maths/describe-position-after-translation-year-5-wk1-5/</p> <p>Extension: Follow the link to: https://www.bbc.co.uk/bitesize/tags/zhqppg8/year-5-lessons/1 and complete that days maths lesson (1st May)</p> <p>OR</p>	

	<p>and complete that days Literacy lesson (1st May)</p>	<p>https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/homelearning/year-5/Y5-Spring-Block-3-WO5-Thousandths-as-decimals-2019.pdf [TASK]</p> <p>https://wrm-13b48.kxcdn.com/wp-content/uploads/2020/homelearning/year-5/Y5-Spring-Block-3-ANS5-Thousandths-as-decimals-2019.pdf [ANSWERS]</p>
