

Our home-school projects are going to be focusing on our community link – The Guide Dogs for the Blind Association

L.O.: To compare working dogs and pet dogs

You can watch any of the videos we have looked at so far to help you with this work:

Key vocabulary: harness, responsible, heel, breed, working dog

Task 1:

Think about what is the same and what is different about what a pet dog and a working dog can do. Complete this diagram (on paper or on a document on a computer) to compare the two types of dogs:

Task 2:

Make an information booklet for a Year 1 child, explaining what the similarities and differences between working dogs and pet dogs are. You should write in full sentences and remember to use conjunctions to join your ideas. Your sentences should have interesting openers that would keep a younger child interested, for example, opening your sentences with:

You can also draw illustrations or labelled diagrams to make your booklet as interesting as you can. Does it have a blurb? What is the title? How is your front cover appealing? Who is the author (most important!)?

If you want to show me your work before we return, you could send photos, or a powerpoint if that is what you have chosen, to:

headteacher@rooksnest.wakefield.sch.uk

or, if your grown-ups use Twitter, it can be uploaded there. Otherwise, keep your work safe, ready for bringing in to school when we return. I am looking forward to seeing it all!

Stay safe,

Mrs Milfull
