

Rook's Nest Academy Homework

Class 3M

Week beginning: 11.5.2020

For literacy and maths your work will be based on that provided by: <https://www.thenational.academy/online-classroom>

When you click on this link you should see the word 'Subject' (in a green bubble) at the top right hand side of the page.

Click 'subject', then 'Year 3', then 'English' (we would use the word 'Literacy' in school), or 'maths'.

You will see that the work for English this week is all about **poetry, finishing on Friday with you having a go at writing your own poem.**

The maths lessons this week are continuing to be based on **Fractions, building on from what was looked at last week and the week**

before. *If you have not done any Oak Academy work on Fractions, I suggest you look at the Year 3, week 1 work first on their website:*

<https://www.thenational.academy/year-3/maths/to-describe-the-part-whole-relationship-year-3-wk1-1/>

On the timetable below you can click the link for each day, and it will take you to the correct lesson.

I understand that some of you will find the work quite easy and some of you might need lots of help. All I want you to do is have a go at doing the activities and see how you get on – don't worry if you get stuck or need help. If you do get stuck, look at the work about Guide dogs that I am suggesting for our community project. As long as you are practising some of your maths and literacy skills, and trying your best, that is fine.

You should be reading for at least 15 minutes every day. This should include reading aloud to an adult if you can. Log on and do an Accelerated Reader quiz when you finish your book. Remember that you can access this from the Rook's Nest Student Start Page on the school website. You can re-read your books of course! Re-reading a book is like visiting an old friend. However, once you have taken a quiz on that book, you can't re-take the quiz from home.

Remember that daily lessons can also include sessions on Lexia, TT Rockstars, Prodigy and Education City as well as PE lessons such as that run by Joe Wicks.

You will need to take breaks and make sure that you take daily exercise.

Stay safe and keep busy!

Mrs Milfull

	Literacy / English	Mathematics	Other activities
Monday	https://www.thenational.academy/year-3/english/poetry-reading-comprehension-word-meaning-year-3-wk3-1	https://www.thenational.academy/year-3/maths/fractions-finding-equivalent-fractions-year-3-wk3-1	<p>Science: TOPIC – Light: Reflective surfaces We have done some work on this topic in school already, but in this link are some science investigations that are different from the ones we did. Have fun trying out this online lesson, which will also help develop your scientific vocabulary: https://onedrive.live.com/view.aspx?resid=54CF08BDFC25132B!23266&ithint=file%2cpptx&authkey=!ABER5EGmGLmzTBY</p> <p>French: Learn this Alain le Lait song to really practise your vocabulary: Un gros nez (a big nose) song (We have seen this in school) It will help you recall some of the names of animals. https://www.youtube.com/watch/?v=Ub-V1n6zpQE</p> <p>Yoga: Why not give Cosmic Yoga a try? There are lots of different themes to choose from, such as ‘Harry Potter’, or ‘Frozen’, and the videos are different lengths, so you can choose whether to do 15 minutes yoga, or a longer session if you prefer. There is an introduction to it here: https://www.youtube.com/user/CosmicKidsYoga</p> <p>Community Project: Guide dogs To compare working dogs and pet dogs – complete a diagram and make a booklet (see attached information sheet)</p>
