

## Rook's Nest Academy Homework Week 2

<b>Year</b>	<b>5</b>	<b>Week beginning</b>	<b>4<sup>th</sup> - 8<sup>th</sup> May</b>
<p>As last week your isolation homework will be a mixture of structured Literacy and Maths lessons from: The Oak National Academy website <a href="https://www.thenational.academy/online-classroom">https://www.thenational.academy/online-classroom</a> [Select 'subject' and then choose your year group] BBC Bitesize <a href="https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-lessons/1">https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-lessons/1</a> White Rose Maths <a href="https://whiterosemaths.com/homelearning/year-5/">https://whiterosemaths.com/homelearning/year-5/</a></p> <p>Topic lessons will be more practical and based around the Rook's Nest Academy curriculum. Year 5's topic for this half term is <b><u>Crime and Punishment</u></b></p> <p>Make sure you are reading at least 15 minutes every day. You can read to yourself as well as an adult. Once you have finished the book log on and complete an Accelerated Reader quiz (you can access this from the Rook's Nest Student Start Page). Mr Milfull and Mrs Morell will be checking your quiz numbers as well as Rockstars scores.</p> <p>Remember that daily lessons can also include sessions on TT Rockstars, Prodigy and Education City as well as PE lessons such as that run by Joe Wicks.</p> <p>You will need to take breaks and make sure that you take daily exercise.</p>			
<p><b>There are plenty of activities to be getting on with next week. If you are finding the work below not challenging enough or want more to do, please have a look around the 3 websites above and have a go at the tasks set for year 6. What can you do/not do? You will be in Year 6 in a few months!</b></p>

and complete that days Literacy lesson (4<sup>th</sup> May)

In the sixth lesson of the unit, we will be learning about reflections. We will be understanding what mathematical reflections are and will learn what a line of reflection is. By the end of this lesson, you will be able to identify how a shape has been reflected.

### Crime and punishment Art

For our crime and punishment topic this term we were going to look at Victorian mug

Shots - choose one of these or choose one from the INTERNET - who are they? How old? Where do they live? What is their history of crime? What is the crime/crimes they are accused of? What will happen to them? Draw your best detailed portrait of them and then write their history underneath. To be used by any Victorian Policeman who needs to find any extra details about their suspect. These would look brilliant displayed when we get back to school.

**Science** Try BBC Bitesize: Mixing dissolving and separating <https://www.bbc.co.uk/bitesize/articles/z6pyvk7>

Try Y5 lesson 1 of Living things and their environments: Reproduction I flowering plants. There is a lot to do in this including experiments.

For this last lesson we will be bringing everything we have learnt over the last ten lessons. We will be focusing on translations from lessons 1-5 and reflections from lessons 6-10. We will be looking at the similarities and differences between reflections and translations and applying our knowledge of both to complete and end of unit task.</i></p>
