

Rook's Nest Academy Homework

Class 3M

Week beginning: 15/6/2020

For literacy and maths your work will be based on that provided by: <https://www.thenational.academy/online-classroom>

When you click on this link you should see the word 'Schedule' (in a green bubble) at the top right hand side of the page.

Click 'Year 3', then 'Week 7'. Start with 'Monday', even if you are beginning this series of lessons on a different day. It is important that you do them in the order of the days of the week.

You will see that the work for English (literacy) this week is all about **writing a letter**.

The maths lessons this week are continuing to be based on **reading a scale to find out the mass (weight) of objects**.

On the timetable below you can click the link for each day, and it will take you to the correct lesson.

I understand that some of you will find the work quite easy and some of you might need lots of help. All I want you to do is have a go at doing the activities and see how you get on – don't worry if you get stuck or need help. If you do get stuck, look at the other activities I am suggesting on the timetable below, or go back and choose something you have not done from the previous weeks. As long as you are practising some of your maths and literacy skills, and trying your best, that is fine.

You should be reading for at least 15 minutes every day. This should include reading aloud to an adult if you can. Log on and do an Accelerated Reader quiz when you finish your book. Remember that you can access this from the Rook's Nest Student Start Page on the school website. You can re-read your books of course! Re-reading a book is like visiting an old friend! However, once you have taken a quiz on that book, you can't re-take the quiz from home.

Remember that daily lessons can also include sessions on Lexia, TT Rockstars, Prodigy and Education City as well as PE lessons such as that run by Joe Wicks, or have a look at Cosmic Yoga, if you want to try some PE that is a little less strenuous.

You will need to take breaks and make sure that you take daily exercise.

Stay safe and keep busy!

Mrs Milfull

	Literacy / English	Mathematics	Other activities
Monday	https://classroom.thenational.academy/lessons/reading-comprehension-summary/activities/1	https://classroom.thenational.academy/lessons/multiply-and-divide-by-10-and-100	<p>Science: TOPIC – Plants: What conditions could we change to investigate the growth of a plant? The science lesson this week is all about investigating what a plant needs to help it grow, and the effect of water on the growth of a plant. https://classroom.thenational.academy/lessons/plants-what-conditions-could-we-change-to-investigate-the-growth-of-a-pl/</p>
Tuesday	https://classroom.thenational.academy/lessons/reading-comprehension-word-meaning	https://classroom.thenational.academy/lessons/multiply-and-divide-by-1000	<p>French: This week your song is called ‘Parapluie’, which means ‘umbrella’. It is a song about the rain, but as you will see, the singer likes rain, and stays happy. https://www.youtube.com/watch?v=B_kvXWBLUvI</p> <p>Lego challenge: How are you getting on with the Lego Challenge? See the next page for some Lego challenges. You could take photos of your creations and upload them to the school Twitter page or send them to: headteacher@rooksnest.wakefield.sch.uk Make sure you mark it for my attention. I would love to see what you build!</p>
Wednesday	https://classroom.thenational.academy/lessons/identifying-the-features-of-a-text	https://classroom.thenational.academy/lessons/measure-to-read-a-scale/	<p>Outdoor Activity: Have you been watching ‘Springwatch’ on BBC2? Or have you noticed how busy the birds around where you live are at the moment? Lots of birds have young chicks to feed just now. Why not help them out by creating a bird feeder? Even just putting out some water for them to have a drink from will help them have more energy for feeding their young.</p> 
Thursday	https://classroom.thenational.academy/lessons/spag-focus-subordinate-clauses	https://classroom.thenational.academy/lessons/measure-to-read-mass-on-a-scale/	
Friday	https://classroom.thenational.academy/lessons/to-write-a-letter	https://classroom.thenational.academy/lessons/measure-to-compare-mass/	<p>Art: Following on from last week’s ideas about potato printing, this week I would like you to investigate printing using a cotton bud, to create a ‘pointillism’ picture. Pointillism is a technique where lots of tiny dots are used to make an image. Dip the end of a cotton bud in your paint, and tap dots on the paper. Change colour and look at the effect you have created. Again, send your work to: headteacher@rooksnest.wakefield.sch.uk</p> 

LEGO CHALLENGE CALENDAR

LITTLE BINS
LITTLE HANDS

31 Days of Fun Ideas for Any Month!

					DAY 1 Build Your Name or Initials
DAY 2 Build a Person With Moving Legs and Arms	DAY 3 Build a Catapult	DAY 4 Build a Robot	DAY 5 Build a House That Opens	DAY 6 Build a Boat That Floats	DAY 7 Build a 100 Brick Tower
DAY 8 Build a Box With a Lid	DAY 9 Build a Small World Scene	DAY 10 Write a Comic Strip for a Minifigure	DAY 11 Build a Model of Your Room	DAY 12 Build a Simple Machine	DAY 13 Build a Bridge That Can Hold Something Heavy
DAY 14 Build a Favorite Character	DAY 15 Make a Mosaic Using Flat Pieces On Baseplate	DAY 16 Draw a Design Make it with LEGO Bricks	DAY 17 Build Something To Go With A Favorite Book	DAY 18 Build a swimming pool for a minifigure	DAY 19 Build With Eyes Closed 5 Minutes
DAY 20 Build a Pyramid	DAY 21 Build a Marble Run	DAY 22 Draw a Play Mat and Add LEGO	DAY 23 Learn Paper Football and Build a Goal	DAY 24 Have a Minifigure Building Race	DAY 25 Build a Marble Maze
DAY 26 Try to Sink a Minifigure	DAY 27 Build a Zip Line	DAY 28 Make Your Own LEGO Skittles Game	DAY 29 Build a Parachute for a Minifigure	DAY 30 Build a Car Attach a Marker and Draw!	DAY 31 Ask For a Bin of Soapy Water Wash LEGO!
