

Rook's Nest Academy Homework

Year	Early Years (Reception and Nursery)	Week beginning	08.06.20
<p>Our lockdown homework is the scheduled lessons from the Oak National Academy website https://www.thenational.academy/online-classroom (choose the Subject and Year Reception), daily reading and the weekly challenges we have set which you can complete anytime throughout the week.</p> <p>There are also daily phonics lessons that you can follow online at https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw/featured?disable_polymer=1</p> <p>You should be reading for at least 15 minutes every day out loud or with an adult, you can choose a book from home or even go online to the Oxford Owl website https://www.oxfordowl.co.uk/ where there's a free e book library with a range of fun books to read online.</p> <p>Remember that daily lessons can also include sessions on Education City as well as PE lessons such as Joe Wicks.</p> <p>Whilst doing your home learning remember that you should always have fun whilst completing them, taking regular brain breaks when working and as long as you try your best you will do fantastic.</p>			
	Phonics	Literacy and reading	Maths
Monday-Friday	https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw/featured?disable_polymer=1	<p><i>Oak National Academy website</i></p> <p><i>Reading - Oxford owl free online e-book or a book of your choice to read out loud with an adult or older sister or brother and talk about afterwards</i></p>	<p><i>Oak National Academy website</i></p> <p>https://whiterosemaths.com/homelearning/earlyyears Summer 2</p>
	<p>https://twitter.com/FaberBooks/status/1262700250529218561?s=07</p> <p>Read this short story to your child. Write a letter or draw a picture and post it to someone they miss to let them know they are thought about.</p>	<p>It's time to become a magical witch or wizard! You are going to need a wand!</p> <p>Go on a stick hunt in your garden or whilst out for a walk. Then, decorate it with ribbons, glitter, sequins or whatever else you think will make it magical.</p> <div style="text-align: center;">  </div> <p>What magical spell are you going to cast? Can you give the spell a name?</p>	<p style="text-align: center;">Let's get counting in 2s!</p> <p>How many shoes do you think you've got? Make a prediction/guess before you count them. Ok, now you can count them BUT try to count up in 2s.</p> <p>It might be easier to arrange them in pairs so that you can see the 2s much easier.</p> <div style="text-align: center;">  </div> <p>Can you write the number of shoes that you counted? Have you got more shoes than your mum?</p>
