	<p>Google Just Dance Happy</p> <p>Keep fit by having a dance - match the moves! If you can't access a PC why not put the radio on and have your own mini disco!</p>  <p>Remember - It's always good to practice writing your name. If you can write your first name then practice your surname. Then you can learn to write mum, dad or family names. Have fun - write in different colours!</p>	<p>Who is your favourite character from a story that you have read? Tell an adult why you like that character, what they look like and what they act like.</p> <p>Can you draw a picture of that character?</p> <p>Can you think of some describing words (adjectives) for them?</p>  <p>You could try to write a sentence about them. Example - "He has long ears and a blue coat."</p>	<p>Collect 5 different objects from around your house. Can you predict which will be the lightest / heaviest?</p> <p>Now hold an object in each hand and compare their weights. Which side feels heaviest?</p> <p>Do this for all of your objects.</p>  <p>Can you put your objects in order from lightest to heaviest?</p>
