

Rook's Nest Academy Homework

Year	6	Week beginning	29 June 2020	
<p><i>Our lockdown homework will be a mixture of structured lessons from BBC Bitesize and a selection of other resources with more practical activities based around the Rook's Nest Academy curriculum. You can choose items from the list over the course of the week.</i></p> <p><i>You should be reading for at least 15 minutes every day either aloud to an adult or to yourself. Remember to log on and do an Accelerated Reader quiz when you finish your book (you can access this from the Rook's Nest Student Start Page).</i></p> <p><i>Remember that daily lessons can also include sessions on TT Rockstars, Prodigy and Education City as well as PE lessons such as that run by Joe Wicks.</i></p> <p><i>You will need to take breaks and make sure that you take daily exercise.</i></p>				
	English		Mathematics	Foundation Subjects/Practical activity
Monday	<p>Y6 focus: Narrative</p> <p>Lesson 1 – Climax – This part of the story is when something bad happens. It needs to be exciting with lots of figurative language. Remember to 'show not tell' the feelings of the character. Don't just write "She was surprised". Instead, write "She raised her eyebrows and her jaw dropped open".</p>		<p>Collecting data</p> <p><u>Activity 1</u> Find 3 objects to throw (like beanbags) and throw them at a target on the floor. Count how many times you hit the target and record it. Do this 5 times and record the best 4 results.</p> <p><u>Activity 2</u> Place 2 pieces of A4 paper on the floor together landscape and jump sideways from one end to the other. Count how many times you can do this in 30 seconds. Do this 5 times and record the 4 best results.</p>	<p>We are going to have a go at some geography and PSHCE this week. You can do as many of the activities as you wish; you can also ask your parents if you can email your homework to us (Mrs Dove or Mrs Harper).</p>

Tuesday	<p>Y6 Focus: Narrative</p> <p>Lesson 2 – Ending – This is where everything comes to a conclusion, tying up loose ends. Try to link it to the beginning. Obviously, we don't want an ending which says "...and it was all a dream" or "...and then they all went home". Remember, the final words of the story need to be "I did knock first".</p>	<p>Displaying data</p> <p>Display the data you have collected in a bar chart.</p>	<p><u>Focus: Geography – Yorkshire Dales</u></p> <p>Research the Yorkshire Dales. What is the location? Can you name any towns in the Yorkshire Dales? What is the Yorkshire Dales famous for?</p>
Wednesday	<p>Y6 focus: Narrative</p> <p>Lesson 3 – Finish off your ghost story started last week. Check that you have included speech and used the correct punctuation. Can you uplevel your work by using better words from a thesaurus. Check spellings also, looking up any that you aren't sure about.</p>	<p>Find the mean, median, range and mode.</p> <p>Use your data to find the mean, median, range and mode.</p>	<p>Look at this website and answer the questions on the sheet. https://www.bbc.co.uk/bitesize/guide/s/z8cwxnb/revision/1</p>
Thursday	<p>Y6 Focus: Narrative</p> <p>Lesson 4 – Can you turn your story into a comic strip? You will need to think about dialogue and there may be a need to use speech bubbles. The figurative language you did last week in your story will help with the illustrations.</p>	<p>Make up questions about your data.</p>	<p><u>Focus: PSHCE</u></p> <p>Make a poster about your memories of lockdown. Include the following information:</p> <ul style="list-style-type: none"> • Happiest memories of lockdown • Something I learnt to do • One word to describe 2020 so far • What I am thankful for • Things I am looking forward to after lockdown
Friday	<p>Y6 Focus: Narrative</p> <p>Lesson 5 – Continue with your comic strip.</p>	<p>Anything from Education City (maths).</p>	<ul style="list-style-type: none"> • My worries • Proud moment of lockdown • Friends I want to see • What I learnt about myself
