

Rook's Nest Academy Homework

Year	5	Week beginning	29 th June 2020
<p>Our isolation homework will be a mixture of structured lessons from the Oak National Academy website https://www.thenational.academy/online-classroom (choose the Subject and Year group options) and more practical activities based around the Rook's Nest Academy curriculum.</p> <p>You should be reading for at least 15 minutes every day. This can be independent or aloud with an adult. Log on and do an Accelerated Reader quiz when you finish your book (you can access this from the Rook's Nest Student Start Page). Remember that daily lessons can also include sessions on TT Rockstars, Prodigy and Education City as well as PE lessons such as that run by Joe Wicks.</p> <p>Other useful websites include - https://classroomsecrets.co.uk/ , https://whiterosemaths.com/ , https://www.twinkl.co.uk , https://www.literacyshed.com/home.html and https://www.ase.org.uk/ase-coronavirus-hub-primary-remote-learning-resources . This list is not exclusive, there are many more!</p> <p>You will need to take breaks and make sure that you take daily exercise.</p>			

	English	Mathematics	Foundation Subjects/Practical activity
Monday	https://classroom.thenational.academy/lessons/to-use-key-features-in-order-to-write-own-composition-08ee6f	https://classroom.thenational.academy/lessons/to-identify-describe-and-classify-shapes-based-on-the-properties	<p>Our topic for this half term is 'The Yorkshire Coast'.</p> <p>Complete the following activities during the week.</p> <ol style="list-style-type: none"> 1. Look at the attached file about wildlife animals on our coast. You have the choice of answering either the 1 star (Pages 1-6) 2 star (Pages 7-13) or 3 star set of questions. (Pages 14-20) Remember to check your answers at the end to see how many you got correct. 2. Following on from the reading comprehension about wildlife. Create your own fact file about a chosen animal that you may see in the Yorkshire Coast. Remember to include lots of interesting facts and statistics. You could do this by hand or using an ICT program of your choice. 3. Littering is a massive issue, not just for local coastal towns, but all around the world. Click the link for more information. <p>https://www.youtube.com/watch?v=YFZS3Vh4IfI</p> <p>Find out more information about the subject and what things we can do to save our ocean from plastics in the future. You can present your information anyway you wish, e.g. writing/computer/video etc. You want to be persuasive to try to change people's views on littering and why it must happen immediately.</p>
