

Rook's Nest Academy Homework

Class 3M

Week beginning: 6/7/2020

For literacy and maths your work will be based on that provided by: <https://www.thenational.academy/online-classroom>

When you click on this link you should see the word 'Schedule' (in a green bubble) at the top right hand side of the page.

Click 'Year 3', then scroll down to find 'Week 10'. Start with 'Monday', even if you are beginning this series of lessons on a different day. It is important that you do them in the order of the days of the week.

You will see that the work for English (literacy) this week is all about **reading and recognising the features of a poem, to help you write your own poem.**

The maths lessons this week are continuing to be based on **telling the time, using 5 minute and one minute intervals.**

On the timetable below you can click the link for each day, and it will take you to the correct lesson.

I understand that some of you will find the work quite easy and some of you might need lots of help. All I want you to do is have a go at doing the activities and see how you get on – don't worry if you get stuck or need help. If you do get stuck, look at the other activities I am suggesting on the timetable below, or go back and choose something you have not done from the previous weeks. As long as you are practising some of your maths and literacy skills, and trying your best, that is fine.

You should be reading for at least 15 minutes every day. This should include reading aloud to an adult if you can. Log on and do an Accelerated Reader quiz when you finish your book. Remember that you can access this from the Rook's Nest Student Start Page on the school website. You can re-read your books of course! Re-reading a book is like visiting an old friend! However, once you have taken a quiz on that book, you can't re-take the quiz from home.

Remember that daily lessons can also include sessions on Lexia, TT Rockstars, Prodigy and Education City as well as PE lessons such as that run by Joe Wicks, (now showing live only on Monday, Wednesday and Saturday) or have a look at Cosmic Yoga, if you want to try some PE that is a little less strenuous.

You will need to take breaks and make sure that you take daily exercise.

Stay safe and keep busy!

Mrs Milfull

	Literacy / English	Mathematics	Other activities
Monday	https://classroom.thenational.academy/lessons/reading-comprehension-1011a5	https://classroom.thenational.academy/lessons/develop-an-understanding-of-clocks	<p>Science: TOPIC – Plants: This is the fourth lesson in the series of lessons on plants, and is about the life cycle of a plant. If you have not tried out these science lessons before, go back to the first lesson, which was called ‘What conditions could we change to investigate the growth of a plant’, and work from there. https://classroom.thenational.academy/lessons/life-cycle-of-a-plant</p>
Tuesday	https://classroom.thenational.academy/lessons/reading-comprehension-b562b9	https://classroom.thenational.academy/lessons/tell-the-time-to-5-minute-intervals-on-an-analogue-clock	<p>French: This week your song is called ‘Les chiffres et les nombres de 1 à 20’, which means ‘the figures and the numbers from 1 to 20’. It tells you the French words for numbers to 20. https://www.youtube.com/watch?v=UsEz58BblMY</p> <p>Telling the time: Watch this video - https://www.bbc.co.uk/bitesize/clips/zqkwmp3</p> <p>Then make a clock by drawing around a circle shape on to paper, such as a plate or plant pot. Cut out. Fold your circle into quarters to mark the quarter past and quarter to, half past and o’clock times. Fold your clock again, or mark with a ruler where the other 5 minute intervals should be. Using an old cereal box or card, make some hands for your clock. Ask your grown-up to tell you some times to show on your clock. How many can you get correct?</p>
Wednesday	https://classroom.thenational.academy/lessons/read-the-example-and-identify-the-key-features-12d697	https://classroom.thenational.academy/lessons/tell-the-time-to-1-minute-intervals-on-an-analogue-clock-past-the-hour	<p>Geography: Flags Find out about flags from different countries. You might choose flags all from the same continent, such as Europe or Africa. You could choose flags that all have blue on them. It is up to you. You can draw or make flags belonging to the countries you have chosen, or find out where in the world those places are, and what it would be like to visit.</p>
Thursday	https://classroom.thenational.academy/lessons/key-feature-spag-focus-1d3400	https://classroom.thenational.academy/lessons/tell-the-time-to-1-minute-intervals-on-an-analogue-clock-to-the-hour	<p>Art: Optical illusions This art lesson shows how you can create a piece of art work that is a trick of the eye, using curved lines and shading techniques. https://classroom.thenational.academy/lessons/optical-illusions-and-using-shading-to-show-form-5248d3</p>
Friday	https://classroom.thenational.academy/lessons/to-use-key-features-in-order-to-write-own-composition-b5be56	https://classroom.thenational.academy/lessons/to-use-a-duration-to-find-a-start-and-finish-time	<p>Remember – I would love to see any of the work you are doing! Some of you have sent me some great work – especially of your potato prints and Lego models. I also enjoyed seeing the Guide Dogs work from before the holidays, too. Well done to those of you who are keeping up with Lexia, Times Table Rockstars, Prodigy and Education City. Some of you have made some really good progress – well done. Please send a photo of any completed work to: headteacher@rooksnest.wakefield.sch.uk</p>
