

## Rook's Nest Academy Homework

Year	Early Years (Reception and Nursery)	Week beginning	06.07.20
<p>Our lockdown homework is the scheduled lessons from the Oak National Academy website <a href="https://www.thenational.academy/online-classroom">https://www.thenational.academy/online-classroom</a> (choose the Subject and Year Reception), daily reading and the weekly challenges we have set which you can complete anytime throughout the week.</p> <p>There are also daily phonics lessons that you can follow online at <a href="https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw/featured?disable_polymer=1">https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw/featured?disable_polymer=1</a></p> <p>You should be reading for at least 15 minutes every day out loud or with an adult, you can choose a book from home or even go online to the Oxford Owl website <a href="https://www.oxfordowl.co.uk/">https://www.oxfordowl.co.uk/</a> where there's a free e book library with a range of fun books to read online.</p> <p>Remember that daily lessons can also include sessions on Education City as well as PE lessons such as Joe Wicks.</p> <p>Whilst doing your home learning remember that you should always have fun whilst completing them, taking regular brain breaks when working and as long as you try your best you will do fantastic.</p>

		<p>Let's have a picnic with some of your toys! Who are you going to invite? You might want to write an invitation to ask them to come to the picnic. What food might you eat? You could draw the food and cut it out rather than using real food.</p> <p>Give each toy a plate and see if you can share the food out equally. How many food items does each toy get to eat?</p> 	<p>Using paper or card, make a monster using different shapes. Have a go at cutting the shapes yourself! The more you practise, the better you will get at using scissors.</p>  <p>Can you say the name of each of the shapes that you have used? Can you think of a name for your monster?</p>
