

Rook's Nest Academy Homework

Year	Early Years (Reception and Nursery)	Week beginning	13 July 20
<p>Our lockdown homework is the scheduled lessons from the Oak National Academy website https://www.thenationalacademy/online-classroom (choose the Subject and Year Reception), daily reading and the weekly challenges we have set which you can complete anytime throughout the week.</p> <p>There are also daily phonics lessons that you can follow online at https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw/featured?disable_polymer=1</p> <p>You should be reading for at least 15 minutes every day out loud or with an adult, you can choose a book from home or even go online to the Oxford Owl website https://www.oxfordowl.co.uk/ where there's a free e book library with a range of fun books to read online.</p> <p>Remember that daily lessons can also include sessions on Education City as well as PE lessons such as Joe Wicks.</p> <p>Whilst doing your home learning remember that you should always have fun whilst completing them, taking regular brain breaks when working and as long as you try your best you will do fantastic.</p>

Monday-Friday	<p>https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw/featured?disable_polymer=1</p>	<p><i>Oak National Academy website</i></p> <p><i>Reading - Oxford owl free online e-book or a book of your choice to read out loud with an adult or older sister or brother and talk about afterwards</i></p>	<p><i>Oak National Academy website</i></p> <p>https://whiterosemaths.com/homelearning/earlyyears Summer 2</p>
	<p>You will need: two purses with either 5p, 4p, 3p, 2p made from 1p coins.</p> <p>Count aloud together to ten. Use fingers to match the count, stressing 'five', one whole hand, and 'ten', two whole hands! Then give your child a purse and you another. Ask your child, How much is in the purse? Encourage to tip out the coins and put them back into the purse one at a time. Together count: One, two, three, four or five pennies. Repeat this process with your purse. Now give your money to your child. Together count out money - one two three four five- and add your money - six seven. Seven pence altogether or in total.</p>  <p>Repeat with different amounts of coins</p>	<p>Make a maze on a piece of paper using objects and then use a pen to go around the objects and complete the maze. You could use a different colour and try a different route.</p> <p>This will really help to improve your pen control. Check that you are holding your pen properly.</p> 	<p>Using the words on the high frequency word list create a hoopla or bowling game using bottles.</p> <p>https://www.highfrequencywords.org/hfw100fp.pdf</p>  <p>How many tricky words can you read?</p>
