

Dear Parent/Carer

INSTRUMENTAL LESSONS

There are now a limited number of places available for instrumental lessons in school for flute, clarinet, guitar and keyboard, taught by staff within the Academy. Parents will need to purchase their own instrument for the lessons to be of any benefit, as it is vital that children practise at home. The cost of these lessons is £40 per term for a small group lesson.

There are also spaces available for lessons taught through Wakefield Music Services or external teachers. Instruments available to learn are brass (trumpet, cornet, trombone, baritone horn), violin and drums. For brass and violin, it may be possible to borrow an instrument. The cost of these lessons is £65 per term for a small 20 minute group lesson (drums are taught in 10 minute individual lessons).

In addition, there are places for one to one piano or keyboard lessons. The cost of these lessons are £10 a week for a 30 minute lesson. All payments should be made via School Money.

Please return the reply slip below if you agree for your child to start these instrumental lessons. On return of the slip, you will be issued with a contract. Please note that learning an instrument requires regular practice at home as well as regular attendance at lessons.

Mrs Wilcox

Please return this slip to Mrs Wilcox.

I give my consent for _____ (name) Class _____
to commence lessons on _____ (instrument)
