Anne Frank diary

Extract from Anne Frank's diary

- ▶ **October 9th 1942:** *“Today I have nothing but dismal and depressing news to report. Our many Jewish friends and acquaintances are being taken away in droves. The Gestapo is treating them very roughly and transporting them in cattle cars to Westerbork, the big camp in Drenthe to which they're sending all the Jews. Miep told us about someone who'd managed to escape from there. It must be terrible in Westerbork. The people get almost nothing to eat, much less to drink, as water is available only one hour a day, and there's only one toilet and sink for several thousand people. Men and women sleep in the same room, and women and children often have their heads shaved. Escape is almost impossible; many people look Jewish, and they're branded by their shorn heads. If it's that bad in Holland, what must it be like in those faraway and uncivilised places where the Germans are sending them? We assume that most of them are being murdered. The English radio says they're being gassed. Perhaps that's the quickest way to die. I feel terrible. Miep's accounts of these horrors are so heartrending... Fine specimens of humanity, those Germans, and to think I'm actually one of them! No, that's not true, Hitler took away our nationality long ago. And besides, there are no greater enemies on earth than the Germans and Jews.”*
- ▶ *This extract shows the appalling way that Jews and other groups were treated by the Nazis. Make a list of what Anne described.*

The background features a dark blue, almost black, trapezoidal shape on the left side, which tapers towards the right. To the right of this shape, there is a complex arrangement of overlapping, semi-transparent green polygons in various shades, ranging from a vibrant lime green to a darker forest green. The overall composition is modern and geometric.

ISPACE openers

This week, we are going to be revising ISPACE openers – you will remember them from previous years – and using them in our own sentences.

Adverbs or adverbial phrases give more information about verbs in sentences e.g Shelby jogged cautiously down the track. or Peering around the corner, Brady noticed the black cat.

We can start sentences with both adverbs and adverbial phrases.

Mournfully, the lonely wolf howled at the yellow harvest moon.

Peering from behind the wooden grandfather clock, the mouse noticed the small piece of cheese on the table.

You can see that I have used a comma after the opener.

ISPACE openers

Add an adverb or an adverbial phrase to start each of these sentences – make them as interesting as possible and punctuate them correctly.

_____ the sunflower grew towards the sun.

_____ Bobby looked towards the school gate.

_____ Scarlett turned towards the shops.

Can you add three sentences using your own adverbs or adverbial phrases?

Effects of the Holocaust

Yesterday, you watched the three films below to find out more about the life of Anne Frank and how she, her family as well as other Jewish people in Germany and the Netherlands were affected by the Holocaust.

Today, I would like you to imagine that you are Anne Frank and write a diary entry describing what it was like to go into hiding in the secret annexe. You will need to use the features of a diary (see next page on this PowerPoint) and include a short introduction to set the scene, what happened and why as well your reactions and opinions about what was happening.

The date the Franks went into hiding was 9th July 1942.

Features of a diary

A diary needs to include these features:

- ❖ A date
- ❖ An introductory section to 'set the scene'
- ❖ Different paragraphs in chronological order
- ❖ Written in the first person - I, we
- ❖ Written in the past tense
- ❖ ISPACE openers
- ❖ Events, reactions and opinions about what has happened

Mathematics

Common multiples

Prime numbers

- ▶ Have a look at the Prime Numbers PowerPoint on the website. Do the activities on the different pages and look carefully at the answers.
- ▶ There is also a worksheet that you will need to do in two halves - questions 1 to 3 first and then watch the end of the PowerPoint before you tackle the rest of the questions.
- ▶ Bring the worksheet with you when you come back to school.

PE

- ▶ Why do we need to warm up in PE?
- ▶ There is an example of a warm-up routine on https://www.youtube.com/watch?v=aW_JqSK-CgY
- ▶ List as many different warm up exercises as you can - you can add little diagrams showing the movement if you like.
- ▶ Devise your own warm up routine, which can use with the class on our return.

Reading

Make sure that you spend between 15 and 30 mins reading independently. You can do AR quizzes at home. I will be looking to see how you are doing and I can see that some people have not yet attempted a quiz..

Have fun and stay safe
