SATS revision homework Spring 2026

The revision homework from now until the KS2 SATS tests will be linked to our work in class. Please bring your completed homework into school each Friday as we will be going through and marking it together. The amount of pages might look daunting but, if you split up the homework and do a few pages each night, it will become much easier to manage. For example Monday – reading, Tuesday - arithmetic and number R&A, Wednesday - Geometry M&S and SPAG Grammar, Thursday - Punctuation and Spelling, Friday - Catch up.

Please note, we will be marking work the week following its completion.

E.g. Week 1 will be marked on the 24th January

Week 2 will be marked on the 31st January etc.
