SPELLBOUND AT LOTHERTON HALL

Ten witches. One broken spell. Mend it before winter.

Join us this October Half Term for a magical Halloween adventure at Lotherton Hall! Every autumn, the witches of Lotherton come together to cast a special enchantment known as the Keeping Charm. This heartwarming spell gathers the last of summer's warmth and stores it away, helping the village through the long winter months.

But this year, something has gone wrong...

The spell has unravelled, and its ten magical words have scattered across the estate, one hidden with each of the ten witches who call Lotherton home.

📖 Collect your own spellbook and set off on an enchanting trail through the grounds. Search for the ten willow arches, discover each witch and the missing words of the charm, then return to the Great Cauldron to help mend the spell before winter arrives.
